

UV Light Accessories

Replacement UV Lamps

1 and 2 year replacement UV lamps. UV germicidal effectiveness goes down over time so be sure to replace lamps on time.

Patented Magnetic 'Z' Bracket

Mount **Fresh-Aire UV™** lamps onto metal without drilling or tools or remove magnet to mount with screws. End piece snaps off for 'A' plate mounting. Part # TUV-ZBRKT-MG

Surface Mount Kit

The Surface Mount Kit features a powerful adhesive backing which makes it possible to mount Fresh-Aire UV residential 15" lamps on most air system surfaces. Fast, convenient, and ideal for limited-space applications.

Cable Strain Relief

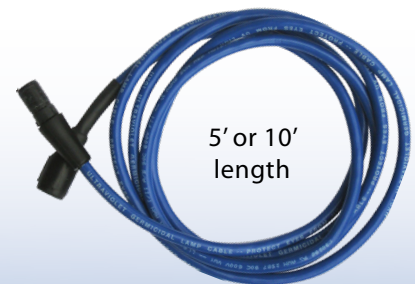

NPT 1/2" and 3/4" sizes available.
Part # TUV-STR1/2
TUV-STR3/4

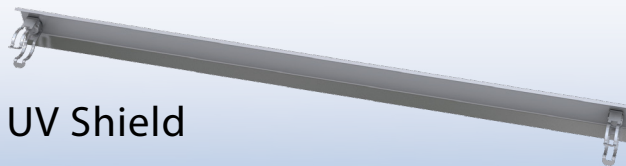

Interlock Kit

Direct exposure to UV light is harmful to the eyes. **The Door Interlock Switch Kit** prevents accidental exposure to UV light if the air handler cover is removed without turning off the UV system. Part # TUV-INTLCK

Lamp Cable Extension

Part # TUV-CBL-5
TUV-CBL-10

UV Shield

Protect UV sensitive plastics and other materials from direct UV light. UV lamp just snaps right in. Part # TUV-SHIELD-LPC
