

## 1-1/2" Sump Pump Check Valve

Model: ECV-150

Made in the USA

The ECV-275 is the world's most flexible sump pump check valve allowing for 18 different installation options.

Introduced in the mid 1970's the ECV-275 has been a symbol of longevity in the Jackel product line. This is the perfect valve for connecting a sump pump to a flexible plastic discharge hose.

### Specifications

- **Valve Body:** Acrylonitrile butadiene styrene (ABS) thermoplastic

### Features and Benefits
