

Wynona Freestanding Tubs

Available Exclusively at Thos. Somerville Co.

WYNONA • 66" x 31" x 22.5"

WYNONA 2 • 57.75" x 30.75" x 22"

Wynona is a graceful freestanding tub of transitional design, featuring a gently rolled lip, central drain and a discreet integrated overflow. Now available in a smaller 58" x 31" size, ideal for tight spaces and remodeling applications.

This charming tub is handcrafted using MTI's proprietary mineral composite mixture, largely composed of natural minerals mined from Georgia's earth mixed with resins. The glossy finished product is solid thru and thru, smooth, lavish and warm to the touch with high insulation properties to help keep bath water warmer longer.

Wynona is available in white as a soaker or with MTI's state-of-the-art air bath system, designed to be not only the most therapeutic in the world, but also the most hygienic.
