Available June 2022:
Geberit Control – the app for your Geberit products

The Geberit Control App supports professional users with Geberit products. Use the app to check battery levels or install firmware updates. Adjust basic settings such as detection time and detection range. The app also includes helpful tips and tricks for using Geberit products. Download the Geberit Control app for free from the app store. Available for Android or iOS.

Note: The Geberit Control App replaces the "Service Handy" remote programming accessory for hands-free actuators.
