

STAINLESS STEEL BRAIDED WATER HEATER CONNECTORS

PROS WHO KNOW CHOOSE BRASSCRAFT®

FLEXIBLE WHEN YOU NEED IT

Flexible construction to easily connect water supply to water heaters in confined spaces, bringing you the flexibility you need.

SAVES TIME

No cutting or soldering required. These flexible water heater connectors install quickly for a durable installation you can trust.

PROTECTS FROM THE ELEMENTS

The reinforced PVC hose helps provide a layer of protection against chlorine and chloramines in water distribution systems.

PUTS MONEY IN YOUR POCKET

The dielectric attributes eliminate the need to install an additional dielectric union, reducing time and installation costs.
