PUMP PERFORMANCE CURVE
MODELS 57/152/153/161

Simplex Panel

- 115V, single phase
- NEMA 4X watertight enclosure w/ lockable latch
- 30 amp motor start relay
- Pump HOA switch
- Top-mounted red alarm beacon light
- 81 - 84 decibel rated alarm horn
- Horn silence and alarm test switches
- Alarm automatically resets
- Dry auxiliary alarm contacts
- Separate circuit protection for alarm
- Circuit breaker protection
- Pump "Run" indicator light

Model 10-2149

Duplex Alternating Panel

- 115V, single phase
- NEMA 4X watertight enclosure w/ lockable latch
- (2) 30 amp motor start relays
- Pump HOA switches
- Top-mounted red alarm beacon light
- 81 - 84 decibel rated alarm horn
- Horn silence and alarm test switches
- Alarm automatically resets
- Dry auxiliary alarm contacts
- Separate circuit protection for alarm
- Pump "Run" indicator light
