

Smaller spaces need organization. And what your kitchen may lack in size, can easily be made up for in convenience with BLANCO ONE™ stainless steel sinks and custom accessories. The Medium Single Bowl combined with our

metal sink caddy keeps everything compact and close — so you can prep, cook, clean and be done in minutes. With BLANCO ONE™, you don't have to sacrifice space for convenience and style.

Able to take on the challenges of daily life, these easy-to-clean 9" deep bowls are created from high-quality stainless steel with our signature satin polish finish.

Do more with an added prep sink and enjoy the convenience of having an extra bowl, perfect for larger working spaces in the kitchen. (shown: Supreme 3/4 bowl #440247)

City life has its benefits — but extra space usually isn't one of them. For those with limited counter space, and limited time spent in the kitchen, BLANCO ONE™ has the perfect solution. The Medium Single Bowl and individual

accessories make it easy to keep things in order, from the convenient cutting board that sits directly on top of the sink to the stainless grid that doubles as a sink protector and drying rack.

For those
with discerning tastes...
and a passion for prep.
Create the perfect culinary station
with the spacious, stainless ONE™.

No two people are alike. The same is true about their needs in the kitchen. That's why BLANCO created ONE™; a collection of stainless steel sinks and custom accessories designed to make life a little easier... and more stylish. Families will enjoy the extra room of our XL Single Bowl, while the inspired chef will appreciate the spacious Super Single.

And those living in smaller spaces will relish the compact design of our Medium Single Bowl. Our one size-doesn't-fit all approach is just as valuable when it comes to our individual accessories and five kit options to help keep your kitchen more functional, organized, cleaner and safer.

Perfect for all your prep work, our beautiful, durable and custom-sized ash compound cutting board sits directly on top of the sink.

Keep knives stored safely during prep in this elegant workstation that also holds utensils and other kitchen tools.

Consider yourself the ultimate gourmet? Then meet the ultimate sink. The elegant Super Single Bowl from our ONE™ collection offers generous room for your culinary explorations. And with your choice of custom accessories

and kits, preparing for a night of entertaining becomes a breeze. Rinse, chop and prep with all your tools readily accessible through the entire creative process. Bon appétit!

Uniquely yours.

Save space.
Be organized.
Enjoy more.

Where life meets style.
Accentuate your space with convenient
accessory kits.

Organization Central

Kit 1: Organized
Keep your sink clean and organized
with this convenient sink caddy and
custom grid.

Safety First

Kit 2: Safety
Our handy workstation plus custom
grid keeps sharp knives clean and
out of harm's way.

Prep Station

Kit 3: Prep
From cleaning to chopping, maximize
your workspace with our custom
cutting board and sink caddy.

Culinary Shop

Kit 4: Culinary
Create your own prep station with a
custom cutting board and convenient
utensil workstation.

Above the Grid

Kit 5: Multi-Level
Exclusively for the XL Single bowl, our
multi-level grid serves as an additional
rack above the base grid. Can also be
used on counter as a stand-alone unit.

Both stylish and
protective, our custom
grids are designed
to fit each bowl size.
See how efficient (and
attractive) draining pots
and pans can be.

Maximize smaller
spaces with our
Organization Kit,
a convenient grid
and sink caddy that
magnetically attaches
along the sink wall for
holding your kitchen
clean up essentials.

Discover the unique personalities of ONE™.

These days, families are busier than ever and need a sink that can keep up. Thankfully, that's where BLANCO ONE™ comes in. Our spacious XL Single Bowl stands up to the demands of busy families with a stylish solution for chaotic kitchens. Extra room in the bowl allows for plentiful

prepping, stacking and cleaning; durable material keeps your sink "every day" ready — and with our custom accessory kits, you'll find that everything has its place — which is nice when life gets too hectic.
