

Landshapes™ by Daniel Arsham

60" bathroom vanity cabinet

K-32299

Features

- Designed in collaboration with Daniel Arsham
- Four solid-wood drawers with dovetail joint construction
- Soft-close undermount drawer slides for smooth opening
- Full-extension 16-3/4" (425 mm) deep drawers provide ample storage
- Integrated drawer finger pulls allow vanity to be finished with or without coordinating hardware
- Pre-drilled pilot holes for installing coordinating Landshapes by Daniel Arsham decorative knobs (sold separately)
- Coordinates with other products in the Landshapes™ by Daniel Arsham collection

Material

- Solid and composite wood
- Wood is a living material, and its beauty is enhanced by natural variations in grain, color, and pattern. No two pieces of wood are exactly the same, and the color will change with age, temperature, and exposure to light

Installation

- Professional installation recommended
