Water depth:	17" (432 mm)
Water capacity:	90 gal (340.7 L)
Template:	Footprint, 1245664, not required, not included

Notes

Measure your actual product for rough-in details.

Install this product according to the installation instructions.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

This bath is designed for freestanding installation only.

Do not support the load weight of the bath by the rim.

If installing a rim-mount faucet, make sure there is no interference above or below the deck before drilling any holes.
