SHOWERING

DESIGNS THAT FIT YOUR LIFESTYLE

Sterling makes the shower space easy to remodel and even easier to use. The STORE+® shower with GUARD+® shower base—one of our newest showering solutions—is easy to set up and hard not to love with innovative storage accessories and simple one-person installation. Like all of our showers, it's made of stain- and scratch-resistant solid Vikrell® material and clicks together in a snap for easy installation and a fresh, seamless look.

Solid Vikrell material is built to stand the test of time. We guarantee it with a ten-year consumer limited warranty and a three-year commercial limited warranty.

Products made of solid Vikrell material are certified by the GREENGUARD Environmental Institute (GEI) for having low chemical emissions.*
