- Customize your storage with optional in-door accessories, in-drawer accessories, and medicine cabinet frames and surrounds (sold separately).

## Material

- Solid wood and veneers.
- Wood is a living material, and its beauty is enhanced by natural variations in grain, color, and pattern. No two pieces of wood are exactly the same, and the color will change with age, temperature, and exposure to light.
- The nature of wood grain can cause variations in stain depth. Our expert craftspeople hand-apply the stain to blend these variations.
