

C-108SH1 Freezeproof Shower

Freezeproof Outdoor Shower

Great for the lake, beach, pool, campgrounds, farms, athletic facilities and anywhere you want to shower outside.

The C-108SH1 is fully compatible with the C-108 hot and cold freezeless hydrant (sold separately). The self-draining C-108SH1 comes with everything you need to install, including a standard MPT shower head and mounting hardware. And, with a stainless steel riser, it will maintain its attractive finish.

- **Compatible w/ C-108**
- **Freezeless**
- **Self-Draining**
- **Easy To Install**
