

Vanity Tops

Vanity Tops. An ideal way to top off your design. Created expressly to bring the finishing touch to your Balletto™, Cartesian™, V14™, Adorn™, Adorn II vanity, Robern engineered stone and glass vanity tops let you personalize your style. Each stone vanity top is available in Lava Black, Stone Gray or Quartz White and includes a separate white rectangular sink. And white glass vanity tops with integrated glass sinks can help you build a look you'll love. Multiple width options and single or widespread faucet drillings are available for both stone and glass vanity tops.

ENGINEERED STONE COLORS

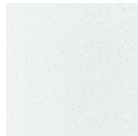

A striking pair, especially when combined with a Robern vanity, engineered stone vanity tops and sinks arrive as two separate pieces designed to install seamlessly together.

Lava Black (90)

Stone Gray (91)

Quartz White (92)

GLASS COLOR

A dramatic statement for the bathroom, each integrated top and sink is actually one single flawless piece of glass transformed into an elegant basin and counter.
