Kohler Co. reserves the right to make revisions without notice to product specifications.

For the most current Specification Sheet, go to www.sterlingplumbing.com.

Technical Information

All product dimensions are nominal.

Material: Stainless Steel

Notes

Grab bars must be properly installed to adequately support the weight of the user.

Obtain backer board locations from the specification sheet for your shower wall model.

Use a stud finder to verify backer board locations before installation.

ADA compliant when installed to the specific requirements of these regulations.
