

BIS Aero

Product Specifications:

- The new generation of metal and plastic venting clamps
- For use with spiral ducts and metal and plastic venting
- Designed for use with 3/8" threaded rod
- Features our patented quick-locking system
- Rubber lining is conjoined with the clamp (lining remains attached when sliding on spiral duct)
- Materials: pre-galvanized steel 1.0226, noise insulating lining: TPE rubber

The rubber lining is formed around and through the steel band. It is conjoined with the steel and will not come off when sliding the spiral duct through the clamp.
