

Continuous Protection for Clean Healthy Air

Kills 99.9% of Viruses, Bacteria, & Mold in as Little as 2 Hours!*

NEW! In-Duct UVC Air Sanitizer Model UVD1

Backed by Science

Proven performance based on third party testing and validation to ASHRAE 185.1 methodology for UV lamps.

2-Year Lamp

Unique 'J' shaped lamp packs two-lamp performance into a single, high-intensity design—installed parallel to the airflow to significantly increase UV contact time for even more sanitization.

Intensified UVC Light

A highly reflective aluminum mirror finish shield boosts UVC output with 95% efficiency, delivering greater sanitization power.

Fast & Flexible Installation

Compact design installs in under 30 minutes in return or supply duct with minimal straight duct required.

Continuous Air Defense

Provides always-on air sanitization for year-round peace of mind your customers can trust.

Certified Ozone Free

Complies with UL 2998 Standard, the nation's most rigorous ozone generation standard.

Performance Proven by Science. Sold with Confidence.

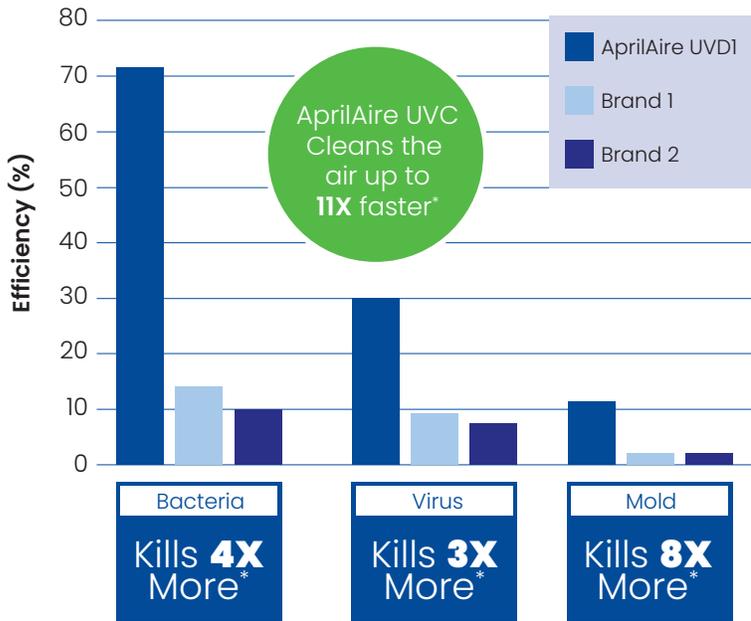

Did You Know

ASHRAE 185.1–tested performance gives contractors proven lab data they can sell with confidence and stand behind after the install.

*Third party tested using ASHRAE 185.1 methodology against MS-2 (virus), Staphylococcus Aureus (bacteria), Aspergillus Niger (mold). Hours calculation based upon 4 air changes per hour.

AprilAire vs. Other Brands

Sanitization Products

Advanced Sanitization. Biological Defense. Continuous Protection.

SUPERIOR SANITIZATION*: Helps clean the air better than 2 leading sanitization products.

SCIENCE BACKED PERFORMANCE*: Third party tested using ASHRAE 185.1 methodology against MS-2 (virus), Staphylococcus Aureus (bacteria), Aspergillus Niger (mold).

OZONE FREE: Certified OZONE FREE to UL 2998 Standard unlike other leading sanitization products.

Certified Safe. Proven Clean.

- Meets the rigorous standards of ASHRAE 241
- Certified OZONE FREE to UL 2998 Standard
- Produces NO FORMALDEHYDE like other leading air sanitizer solutions*
- Certified by the California Air Resources Board (CARB)
