

## 20" PACKOUT™ Tote

Part of the industry's most versatile and most durable modular storage system, the Milwaukee PACKOUT™ 20 inch storage tote features an impact resistant molded base that fully integrates with all PACKOUT™ system components. Constructed with 1680D ballistic material and all metal hardware, the 20 inch storage tote is designed for ultimate durability while the included padded shoulder strap and durable overmolded handle allow for easy transport. The 20 inch tote features 32 total pockets designed to organize and carry power tools, hand tools and accessories.
